BAMBOO

The minimalist silhouette of Bamboo offers a modern way of zoning, organizing and showcasing accessories and books over an arrangement of shelves, cupboards and storage boxes. Created in an environmentally conscious way by our in-house design team, where possible we have opted to use the most eco-friendly and low impact materials. Bamboo is designed to utilize 'common components' to maximise efficiency in production, meaning less energy and overall waste.

FEATURES

100% recycled nylon (PA6) connectors

Felt panel with acoustic benefits and pinboard use, made from a blend of 70% recycled and 30% virgin PET

Packaging is made from 100% recyclable cardboard, made from 80% recycled material

All shelves, cupboards & lockers made from side-pressed bamboo

Bamboo is a carbon negative material and the use of bamboo products can help achieve a higher certification level for LEED and BREEAM

Configurable for any workspace

Easy and quick to assemble

Frames available in RAL colour offering

Adjustable feet

Mobile table for agile working

Modular light can fit to any frame

Supplied with tools for quick install

DETAILS & ACCESSORIES

Select Accessories:

Table on Casters

Choose frame
finish from the
selection above.

Felt Panel

Available in
Grey only.

Shelves, storage and table top are made from solid side-pressed Bamboo.
Note: Limitations in the reprographics process mean absolute color accuracy cannot be guaranteed. Where color matching is critical, a sample of the material can be provided on request. Please enquire if you require help with combinations and bespoke color choices.
